

Lessons at: **KINGS' SCHOOL, Winchester**

Welcome to Wessex Swim School Winchester at Kings' School in Winchester. Winchester was our first site, and is a perfect venue for teaching all levels and abilities. From beginners through to those ready for club swimming.

Pool Dimensions

The pool is 25m long by 10.5m wide. The pool is 0.9m at the shallow end and 1.2 m in the deep end. A rail goes the whole way round the pool for safety, there are 2 entry steps and a disabled hoist.

Location

The pool address is **Romsey Road, Winchester SO22 5PN**. Please note the postcode doesn't direct you to the correct entrance way, you will need to follow the signs which direct you to the School on Romsey Road. The swimming pool is signposted on site and the entrance to the pool is through the double white doors just to the right of the community centre entrance.

Parking

After school hours or weekends you can park in the staff car park which is off to the right of the roundabout at the top of the hill, or at allocated parking bays leading up to the roundabout.

Changing rooms and pool

As you enter turn right and follow the corridor, first the female changing rooms on the right and the male changing rooms are ahead of you further down the corridor. The changing rooms have lockers which take £1 coins in both the ladies and male. Please note children aged over 7 years old must change in their own sex changing room.

Disabled Changing facilities

There are also 2 separate disabled changing rooms which can be utilized for larger families but please ensure those with disabilities are not restricted from using these rooms.

Access to poolside

There are automatic showers as you go from the changing rooms onto the poolside. Please can all swimmers shower before entering the poolside. Parents and spectators should exit the changing rooms and head back out to the main corridor. There the females should turn left and the males turn left and access the pool through the pool door at the end of the corridor.

Layout on poolside

At this site there are 6 lanes. Each class is assigned to a Lane number and either shallow or deep class. The shallow classes are all to the left as you enter and the deep end classes are to the right hand side.

Watching the lessons

There is seating all around the poolside to watch the lessons. Due to the number of swimmers if swimmers could keep spectators to a maximum of 1 that will enable there to be enough seating for everyone on poolside.

Refreshments

There is a sports drink and a crisp and chocolate vending machine on site.

Specific pool rules

The pool rules do specify that there are no shoes allowed on poolside at any time, if you could therefore remove your shoes before entering the poolside that will involve avoiding any embarrassment from site staff asking you to remove your shoes.

Location:

From Romsey Road follow signs for Kings' School and drive to the top of the drive where there is a roundabout.

For your postcode: SO22 5PN
