

Lessons at: **Godolphin School, Salisbury**

Welcome to Wessex Swim School Salisbury. This 4 lane pool is ideal venue for beginners all the way up to club standard, with a separate large viewing gallery area.

Pool Dimensions

The pool is 25m long by 9m wide. The pool is 0.9m deep at the shallow end and 2m deep at the deep end. There are steps at both ends of the pool for easy access.

Location

The pool address is **Godolphin School Milford Hill, Salisbury SP1 2RA**. To access the swimming pool, you need to drive into the main school entrance and park in the school car park the swimming pool is located at the far end of the lacrosse pitches.

Changing rooms and pool

The male changing rooms are on the right hand side after the gym and the females are almost opposite on the left hand side. Please note children aged over 7 years of age will need to change in the correct sex changing room.

Disabled Changing facilities

There is a large disabled changing room to the left of the male changing rooms.

Access to poolside

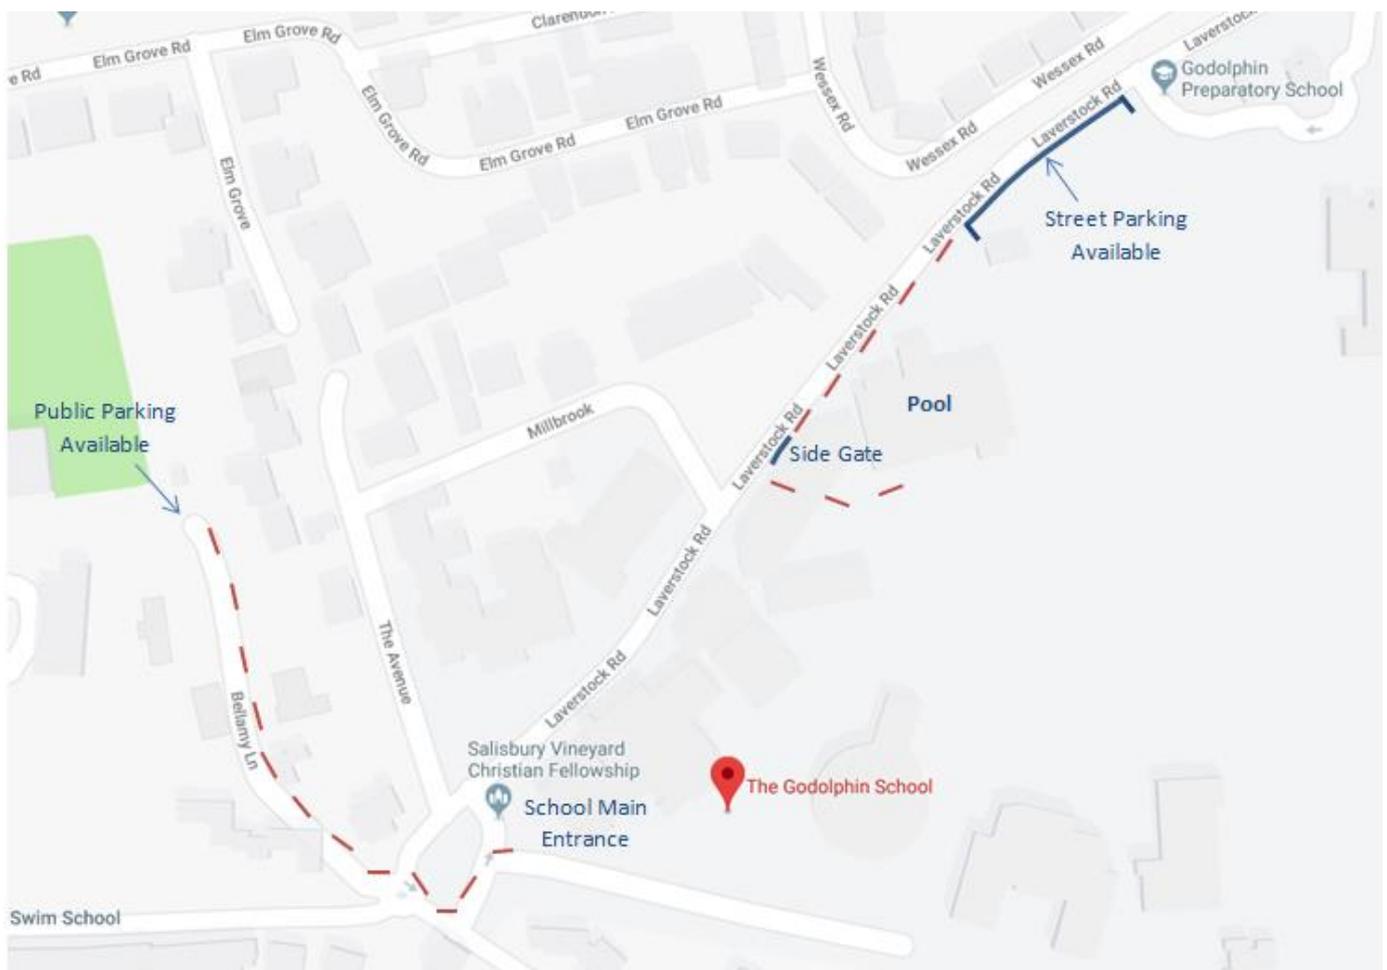

The female changing rooms have a door which opens out on to the poolside. This is a swimmers only entrance and parents are asked to enter the poolside from the main pool door which is back in the main corridor. The male changing room is just across the corridor from the pool door. There are 3 rinse off showers on poolside, all swimmers are required to have a shower before entering the pool and swim hats are mandatory at this site.

Parking

Due to large events often being held at the school, there is no parking in the main school car park.

Parking can be found on Laverstock road, located just outside the school (there is a 2 hour free parking restriction time in force). There is a small side gate which allows you access into the school. If you follow the footpath up the hill and through the tennis courts, it will lead you directly into the swimming pool building.

Alternatively, just before you enter the main school car park entrance, there is a mini roundabout with a turning just off it called Bellamy Lane (also signposted as Unadopted Lane). If you drive down this lane there is a small car park at the end next to the Godolphin School Sports Hall. It will take about 3 - 4 minutes to walk from the car to the main school entrance.

Layout on poolside

This is a 4 lane pool with up to 6 classes taking place at any one time. Beginner classes take place at the shallow end, intermediate classes at the deep end and advanced classes have a whole lane. On entry to the pool register your child with the Supervisor at the pool door.

Watching the lessons

There is a large viewing gallery behind glass so you can see all of what is happening on poolside. There is a large amount of space available so there is no limit on the number of spectators per swimmer.

Refreshments

There is a cold drinks vending machine on site.

Specific pool rules

Parents are asked not to come onto the poolside itself, if there is a reason to enter you will need to either wear blue overshoes or remove your shoes. There is no viewing of the lessons from inside the pool only in the viewing gallery.
